FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

After visiting with Mr. Jonathan D. Levy of the FCC, I believe the following is the information you are seeking.

1. College Football
The Conference has never had, from 1980 to date, a Conference Football TV plan. We have been part of two national TV plans from 1980 to date. They were the NCAA and CFA Football Television Plans.
2. College Basketball
The Conference has had a variety of basketball TV plans from 1980 to date. They were as noted below:

1979-80 to 1982-83 The WAC was with TVS which distributed the games both regionally and nationally. They were exhibited on over-the-air stations.

1983-84 The WAC was with Russ Potts and Associates which distributed the games both regionally and nationally. They were exhibited on over-the-air stations.

1984-85 The WAC was with Lorimar which distributed the games regionally. They were exhibited on over-the-air stations.

1985-86 to 1989-90 The WAC was with KUTV, an ABC station in Salt Lake City, Utah, which distributed the games regionally. They were exhibited basically on over-the-air stations with some on a few cable outlets.

1990-91 to 1992-93 The WAC was with ESPN which distributed the games nationally on their cable network.
